Product parameter

Product Name	Smart Deadbolt Lock
Brand	Udohow
Model	DH-K130
Available Color	Black/Silver
Material	Zinc Alloy
Size	145mm×60mm×65mm
Application	Home/Apartment/Hotel/Office
Door Type	Wood/Stainless Steel/Brass
Door Thickness	35mm-120mm

Unlock Way	Fingerprint+Key+Bluetooth (option))
APP	TTLock(option))
Fingerprint Capacity	30
Keys	2
Power Supply	4 AAA Batteries
Emergency power type:	Type-USB
External emergency power supply:	Power bank 5VDC
Low power alarm:	4.8V

Normally open mode

Offices and other frequently-entry places can be set to normally open mode

Invisible keyhole

Keep the traditional way of unlocking

USB charging port

With backup USB port for emergency charging

Power Supply

4xAAA(7 alkaline) batteries,6 months
& 180000 times using

Characteristics

1. Unlocking method: fingerprint, mechanical key, smartphone app (optional)
2. You can use the remote control (optional).
3. Multiple unlocking mode strengths security degrees.
4. Add or delete users are managed by numbers.
5. The unlocking combination make the cabinet much safer.
